

LEXINGTON UNITED U8s GO TWO FOR TWO AT ACTON INDOOR SPORTS

The Lexington United Soccer Club's U8s clinched a second Acton Indoor title by defeating Concord Willard 4-1 in the final of the session two playoffs. With the completion of session two, the team ends its season with a 19-0-0 record. More important than any of the wins or trophies, the players exhibited team work, camaraderie and a strong propensity for having fun. The boys and girls were coached by Phil Johnson and Zack Edmonds. "These are just the best kids to coach. They never want to stop playing," said Johnson. Edmonds added, "it has been a long season, but why stop when the kids are having this much fun?" Both coaches agreed individual accolades were unnecessary as it was, "all about the team."
