

## LUSC Winter Program 2010

### **Sunday Afternoon “Street Soccer”:** (6 week program)

*Supervised by LUSC DOC, Brendan Donahue*

**Focus: Let them play!** Escape the cold winter days of New England while exercising and having fun with friends.

**What is Street Soccer?** Simply put, street soccer is supervised 3v3/4v4 soccer games. There will be no coaching just adult supervision. Every 12 to 15 minutes kids will be given a water break and teams will be remixed and a new game will be started. The idea is to allow the kids the freedom to play games in a supervised environment, while encouraging them to be creative and take ownership of their game.
